## Orange and The Black

ALTHO Yale has always favored the violet's dark blue,  
And the gentle sons of Harvard to the crimson rose are true;  
We will hold the lily slender, nor honor shall they lack,

While the Tiger stands defender of the ORANGE and the BLACK

Thru the four long years of high school, mid the scenes we love so well,

Our mystic charms to knowledge, we vainly seek to spell,

Or we win athletic victories on the football field or track,

Still we work for dear old High School, and the ORANGE and the BLACK.

When cares of life o'ertake us, mingling fast our locks with gray,

Should our fondest hopes betray us, false fortunes fall away,

Still we banish care and sadness as we turn our memories back

And recall those days of gladness 'neath the ORANGE and the BLACK.

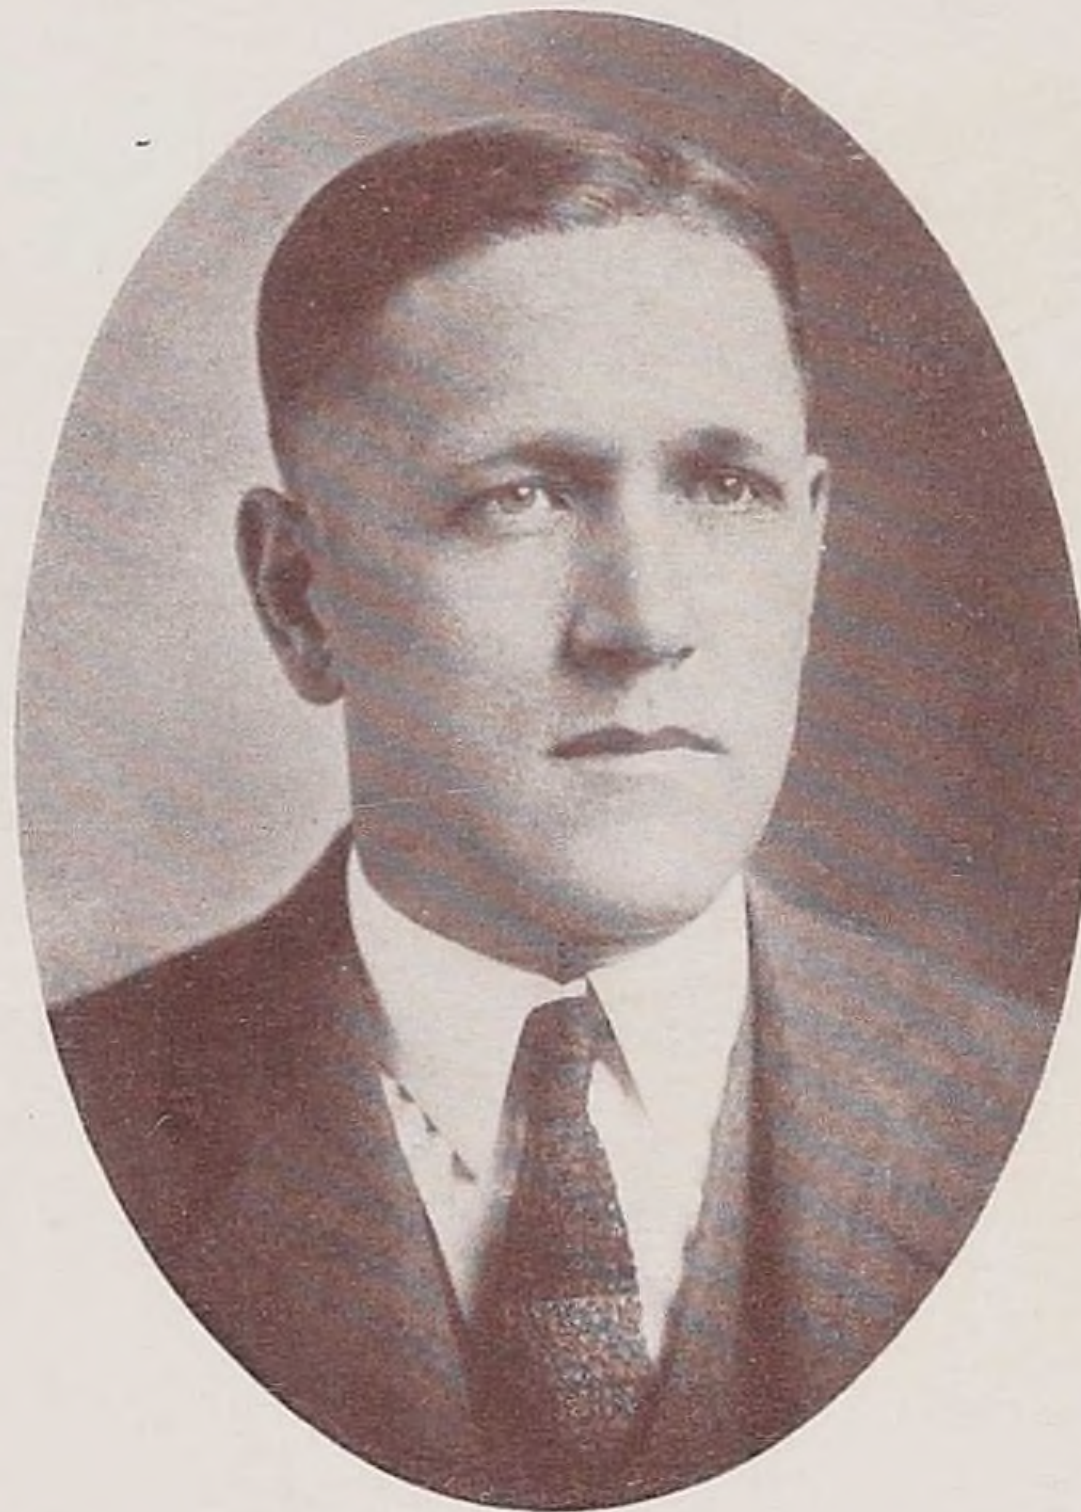

## "The CUB"

To our parents, who, with their unending faith, wisdom, and devotion, have guided us thus far toward success, we, the Class of nineteen twenty-five, dedicate this, our Year Book.

Superintendent

Prof. E. E. Pringle, M. A.

"My greatest desire for the schools of Seneca is to have them develop honest, intelligent and useful citizens. I believe the schools should approximate as nearly as possible the functions of a community life in which each pupil shall fill his responsibility not only to himself but to others about him. To this end I believe in encouraging scholarship, debate, dramatics, art, athletics and all forms of activity, the pursuance of which shall tend to develop the better Seneca citizen of tomorrow."

—E. E. PRINGLE.

Mr. Pringle came to the superintendency of the Seneca High School in the fall of 1921, from Enterprise, Kansas. During the past four years he has worked unceasingly to do all he can to improve the school. With the help of the faculty he organized the plan of supervised study which has proven very effective although the studies have had to be modified somewhat to meet the need.

During Mr. Pringle's four years here he has encouraged various school activities until now we have the dramatic and debating clubs, orchestra, all music in general.

Mr. Pringle has encouraged scholarship more than any thing. He has done all in his power to increase the scholarship of the students. He encourages any move, such as scholarship contests and the like, that will raise the standing of the school.

His aim in all of these, and many other innovations, has been to make this high school a powerful factor in the community, and to make it a truly cosmopolitan institution.

# JUNIORS

## Class History

One bright day in September 1913, a group of about fifteen boys and girls entered the first grade of the Seneca Public Schools. These children had just started a long journey through the years that were to come. It was the gentle hand of Mrs. Collins that guided them through their first year of school. Of this original group only Gordon Tate has remained with the class.

Then came the first great joy of their young lives, their promotion to the second grade. So year after year this group passed from one grade to another. One day seven years after their first day of school, the teacher informed the class that they had all failed. It was at this time the class a half year behind was able to catch up with them. Together they advanced to the eighth grade and under care of Miss Grace Funk, prepared themselves for the last four years of their journey.

Those graduating from the eighth grade were: Evelyn Myers, Evelyn Stevens, Viva Markley, Luella Butler, Christine Ford, Walter Scott Thompson, Glenn Stine, John Sausser, William Graham, Herman Meeh, Charles Allen, Harry Funkhouser, Alvin Rodgers, Gordon Tate, Lloyd Hybskmann, Galen Kill, Jodie Vorhes and Seldon Wood.

As Freshmen they were sponsored by Miss Nellie Young. In that year Ella Anderson, Walter Griffiths and Willis Neil joined them. In their Sophomore year Irene Campmire and Mabel Wiesedeppe joined them. As Sophomores and Juniors Mrs. LeRoy Scott led them through two years of work and play. As Juniors Leon Gilkerson, Helen Starns, Merlin Myers and Harold Millen entered the class. Many of the former members have gone but many enthusiastic ones have come to fill their places.

It was this class that so successfully gave the play "All-of-a-Sudden Peggy," in the first semester of their Junior year which showed that the class is talented.

Several of the members of both boys and girls basketball teams are members of this hard working class. Ella Anderson and Evelyn Stevens were on the girls first team. William Graham and Gordon Tate were letter men on the boys team. "Bill" was captain during his Junior Year.

The Juniors have filled their three years of High School with many activities and honors and they are sure that their Senior year will be the crowning event of their school career.

## Sophomore Class History

WHILE France and Belgium, aided and abetted by England, were struggling to save themselves from an apparently all powerful foe, a group of little tots entered the Seneca Public School and under the expert guidance of Mrs. Emilie Collins, began a battle of their own, which they are still carrying on with splendid results as Sophomores. Receiving the reward of the brave they were promoted to the second grade where, under Miss Merle Givens, they made their first successful public appearance.

They now annexed another strip of territory known as the third grade, a province governed by Miss Jennie Herold. She saw good material in this class of conquerers and under her guidance they emerged a stronger, livelier group than ever. Glancing about for new fields of conquest they espied the fourth grade and in a combined assault stormed the fort and settled down to another year of study preparatory to storming the fifth grade. Miss Bruner sensed that they were preparing for another expedition and she helped them to such an extent that in the spring they appeared before the walls of Fort Fifth Grade. After a long siege in which they suffered from epidemics of Geography and Reading, the fort capitulated and they proudly entered their new domains.

Here they met a new leader by the name of Miss Amma Campbell who immediately won and held their respect and love. Certainly she proved her worth, and though she had such a warlike tribe in her kingdom she ruled it like a diplomat. Miss Baldwin taught them Arithmetic little suspecting that they were planning on annexing her kingdom also. Therefore when, in the spring they appeared and demanded capitulation she was little prepared for defense and after a courageous resistance, surrendered. Imagine her feelings as this warlike tribe appeared, chose their camps and settled down to another year of study and rest. Certainly they were not the tame students of 1915, but vigorous and resistless in their young power. After a year's rest and preparation they were received into the seventh grade and under the guiding hand of Miss Nellie Barney they prepared for their attack on the domain ruled by Miss Grace Funk. Many were the struggles they went through, the main one being an epidemic of Grammar. After one horrified gasp of terror they grouped together and in a bloody attack appeared before Miss Funk's citadel and demanded admission. Realizing that Fate had decreed this, Miss Funk capitulated and helped them to prepare for an attack on an immense kingdom called Senior High. While under her jurisdiction she helped them to organize as The Junior Red Cross and also to elect leaders. Under these leaders, they made a sweeping attack on Senior High and entered to the strain of "Wake, Freshmen, Wake." Their new leaders were Miss Anna Thomas, sponsor; Mildred Thompson, president; Martha Magee, vice-president; and Jess Andrews, secretary-treasurer.

The next fall they elected Miss Johnson as sponsor; Mildred Thompson, president; Ralph Sourk, vice-president; Rachel Cottrell, secretary and Jess Andrews, treasurer. In the spring they plan an attack on the Junior Class. Having survived so many battles, their chances of winning are over-whelming.

FRESHEN  
M

## Class History

NINE years ago a number of frightened children entered their adventurous career in the Seneca Public School under the direction of Mrs E. M. Collins. Four of these are all that have kept up with the class. These are: John Edwin Buehler, Clyde Gartin, Beryl Kerr and Clyde Schenck, Jr.

During the fifth, sixth and seventh years a number were added to the class.

In the seventh grade the class organized a Junior Red Cross chapter which included the payment of dues and subscription for the Junior Red Cross Magazine published by the National Headquarters. Dorus Piper was president of the chapter and under his guidance many things were accomplished. The Christmas spirit was recognized by basket donations to members of the community. On St. Valentine's Day candy was made and taken to the inmates of the County Home.

In the eighth grade the class as a whole decided to do all that they could for the benefit of Mercy Hospital. During the Christmas Season a bushel of apples was shipped. On St. Valentine's Day 23 pounds of cookies were added to their list of donations. In these two years the class had shown its generosity and good will.

Also, the boys while in the eighth grade became interested in athletics. A basketball team was organized with Lloyd Badesheim as the coach. Their season proved very successful, winning four of the eight games played. Their schedule consisted of games with: Baileyville, Corning, the S. H. S. Freshmen and the S. H. S. Girls' team. The majority of the boys in this were active Boy Scouts. At this time there were twenty-three members of the class. All of these entered high school in the fall of 1924 with the exception of one.

In the Freshman year in old S. H. S. the following joined the class: June Sedam, Rachel Rosengarten, Eben Scott, Mildred Oatman, Robert Duryea, Clarence Ford, Durwood Ridgway and Quentin McNergney.

The Freshman Class has started a good showing in S. H. S. so far this year. Many of its members are interested in Athletics and Literary events, many good members and hard workers. All in all the class looks very promising for the future of old Seneca High School.

AT the beginning of school in September, 1924, The Courier-Tribune very generously offered the High School free space in their weekly paper for the publication of the school news. The plan was to have all athletic events, school parties, club meetings, chapel programs and general school news written up by high school students and published together in a certain part of the paper under the heading, "The Tiger," this name having been chosen by vote of the student body of the high school several years ago and used ever since to designate the school paper.

The staff of the paper was selected by Miss Nellie Young, who was the sponsor for this year's Tiger, and Miss Edith Johnson, English teacher. Arrangements were made by which each member of the staff received credit in his English work for work done on the paper.

The Music Memory notes were prepared by the music supervisor and when the Athletic Editor was unable to attend athletic contests, the Coach has written them up. Except for these and an occasional editorial written by the Superintendent, every article that has appeared in The Tiger this year was written by the high school students who were on the staff.

Act II and Act III—Same as Act I.

### SYNOPSIS

Ned Pembroke, a dashing youth, writes ardent love letters to Vera Vernon, an actress, but when he meets Daphne Charters the whole world changes for him. Immediately he wishes his letters returned and George Howell, a lawyer, sets out to get them, before Vera can bring suit against Ned—to do this he is compelled to leave his bride of one day, but she, however trusts him in the face of all the world. When he fails to arrive home at the appointed time she is certain that some terrible disaster has befallen him. Auntie arrives on the scene just in time to make matters worse for everyone, as she sees only the dark side of everything and trusts no man.

On his way home George gets his grip mixed with that of a stranger, Nicholas King, and the grip that he gets contains Mrs. Pembroke's stolen necklace. This of course casts suspicion on him, and he finds himself in some very embarrassing situations. Policemen are summoned and we soon find the play living up to its name, "A Full House." The plot deepens and works up to a good climax, but when the action falls we find everyone very happy.

## Literary Contest of 1924

THE 1924 Nemaha County Literary Contest was held in the Congregational Church at Seneca. Long before the time to start, the church was packed and standing room was at a premium. Outside could be seen people peering through the windows and filling the doorways. Nearly every school in the county had sent a contestant and the outcome was very much in doubt. No school appeared certain of very many firsts while some openly relied more on a mass of seconds and thirds.

After the program had progressed to a fair extent the race for first place in the contest as a whole summed down to two schools, Sabetha and Seneca. Seneca at that time had no orchestra and Bern took first place with Sabetha second. However, Seneca took first in the mixed chorus and girls' glee club, while Sabetha placed second in the mixed chorus and Goff captured the second place in the girls' glee club. Luella Butler of Seneca placed second and Sabetha placed first in declamation. Carroll F. Reichert had, earlier in the day, taken first in the essay contest, Centralia getting second. While Seneca appeared to be drawing away from her opponents, it must be remembered that the Orange and the Black was not represented in everything, so nothing was certain. Sabetha took first in the oratory contest which placed them first in the whole contest. It was announced at the final reckoning that Sabetha had a total of 21 points and Seneca was second with 17 points. The next day, however, it was found that the Sabetha orator had merely copied a speech word for word, therefore they lost those precious five points, placing Seneca first with 17 points and Sabetha second with 16 points. Seneca's wonderful trophy case became the better supplied than ever as the three cups—prizes for Mixed Chorus and Girls' Glee Club and the big cup for the Contest, were safely stowed away for everyone to view.

## "S" Club

FOR the last ten years there has been an organization in the Seneca High School which has been known as the "S" Club. This Club was organized in 1915 by the men who won letters in athletic events that year. The members of this Club had to be the owners of letters won in any athletic event in which S. H. S. participated.

Of course the rules for winning letters have been changed numerous times so we cannot tell what the requirements were all through these long years. But the requirements for the last two years are:

Football: Any player who has played in three full halves; or has played two full halves and been taken from the third half due to injury; or in three of the four major games (these to be determined by the Athletic Council before the opening of the football season.)

Basketball: Any player who has played in one half of the County games.

Track: Any man winning a point in the Kansas Inter-High School Athletic State Track Meet; or breaks a Seneca High School record in any well regulated meet; or wins a first place; or two second places; or one second and two thirds; or one second and a member of the winning relay team in a district High School or Invitation Meet; or wins a point in our own County Track Meet.

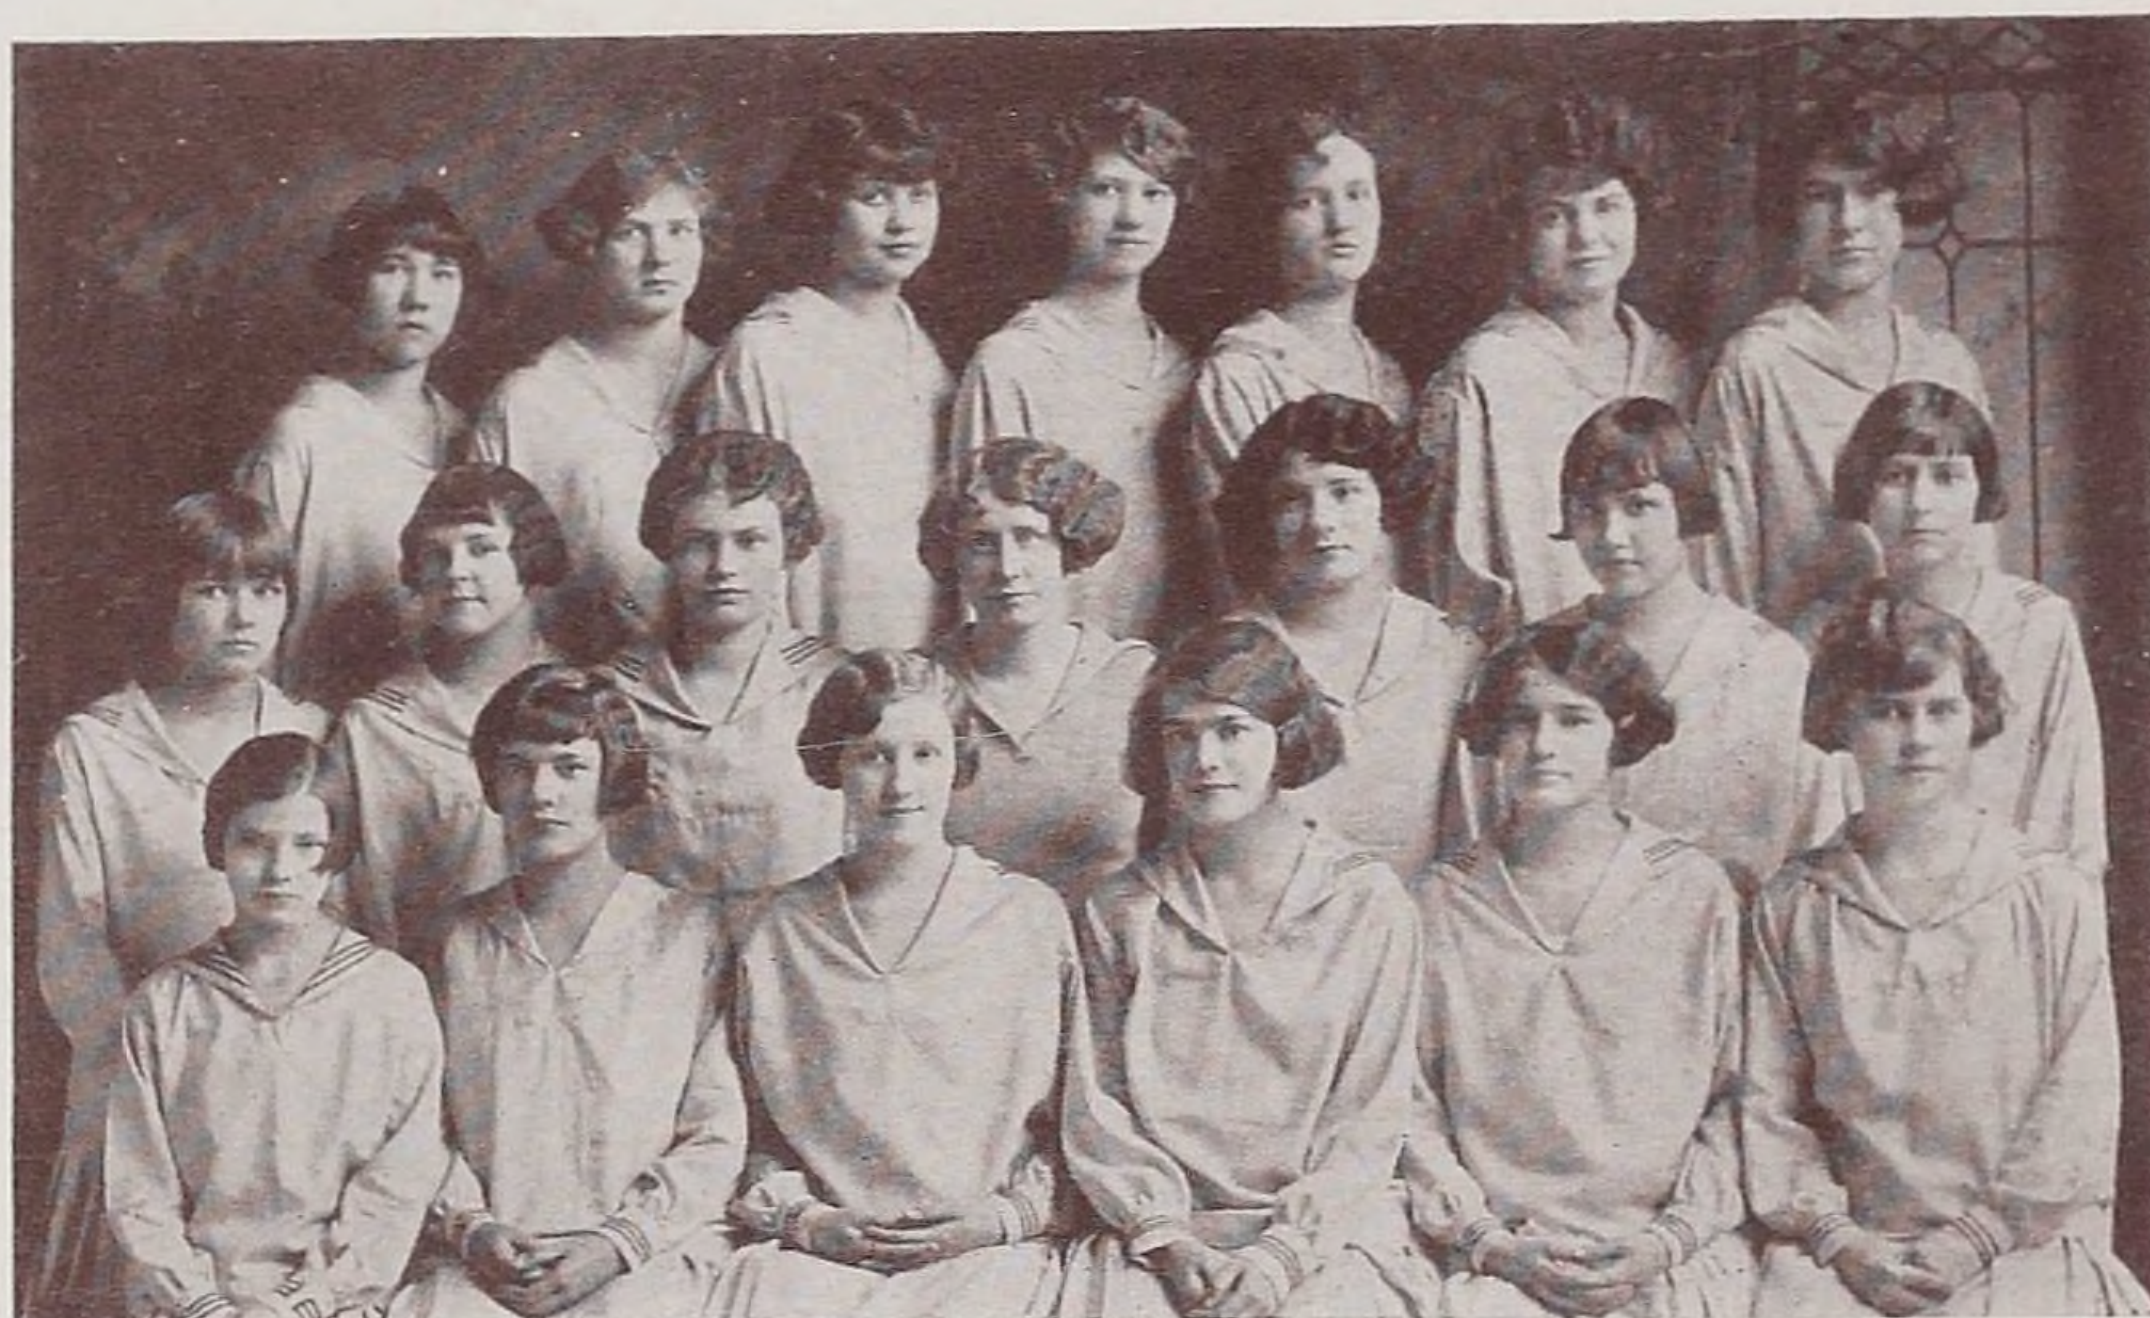

The following men received Football letters this year: Harry Allison, Floyd Gartin, William Graham, Arlie Higgins, Paul Kerr, Irvin Mars, Harold Millen, John Sausser, Ralph Sourk, Glen Stine, Gordon Tate, Marion Wiley, Willard Winsor.

The following men received Basketball letters this year: William Graham, Willard Winsor, Harold Millen, Clifford Jerome, Paul Kerr, Ralph Sourk, Gordon Tate.

## Girl's Glee Club

Butler Schueneman Austin Lohman Williams Tyner Hull  
 Kerr Stevens Markley Scott Middaugh Thompson McGhee  
 Rosengarten Marsh Paxston Smalley Crandall Cottrell

THE work of the Girls' Glee Club for the year consists of the learning and memorizing of a number of songs to be given in a concert given by both the Girls' and Boys' Glee Clubs and the High School Orchestra. The technical training and practical work of the year are brought to a climax when the Club is presented at the Nemaha County Literary Contest in which we hope to be as successful as last year's Clubs who won two cups for Seneca High.

The most interesting feature of the year is the Operetta presented by both the Boys' and Girls' Glee Clubs combined. The Operetta this year is the "Gypsy Rover," a very clever and successful musical drama.

The Music Department, under the direction of its leader, Mrs. LeRoy Scott, will furnish the music for the graduation exercises of the Class of '25 of Seneca High School.

THE Boys' Glee Club this year is considered by musical authorities a big improvement on last year's club. The nineteen members of the club have faithfully worked two afternoons each week and will appear in the County Contest the 10th of April.

The Boys' Glee Club will help largely in giving the operetta, "The Gypsy Rover." The members of the Boys' Glee Club are:

### First Tenors

Charles Allen  
Herman Meeh  
Glen Stine  
Edward Taylor  
Marion Wiley  
Merlin Myers

### Basses

Orville Beatty  
Walter Griffiths  
Lloyd Hybskmann  
Dick Shipman  
John Sausser

### Second Tenors

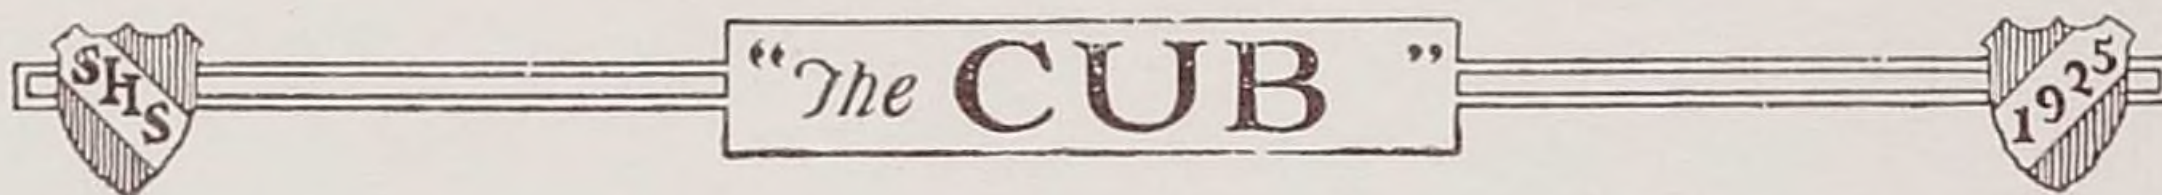

Harry Funkhouser  
Alvin Rodgers  
Gordon Tate  
Jodie Vorhes

### Baritones

Galen Kill  
Willis Neil  
Seldon Wood  
Vaughn Gensler

Conductor: Mrs. LeRoy Scott

## Orchestra

**D**URING the past year the orchestra, from the standpoint of progress made, has been one of the most successful organizations in school.

It is the first orchestra that has been in high school for several years, and, under the direction of Mrs. Scott, and the interest of its members, the organization has been steadily increasing in quality during the year. Two hours a week are regularly devoted to practice.

If this organization continues to make progress at its present rate, the High School may ever have cause to be proud of it.

The personnel of the orchestra:

Violins	Trumpets
Evelyn Stevens	Alice Austin
Clarice Greene	Dorus Piper
Gertrude Butler	Lloyd Hybskmann
Anne Belle Welsh	Andrew McBride
Edward Taylor	Robert Shurtleff
Ezra Kuykendall	
Davidson Vorhes	
Clarinet	Drums
John Edwin Buehler	Clyde Schenck
	Trombone
	Floyd Gartin
	Pianist: Edward Ott
	Conductor: Mrs. LeRoy Scott

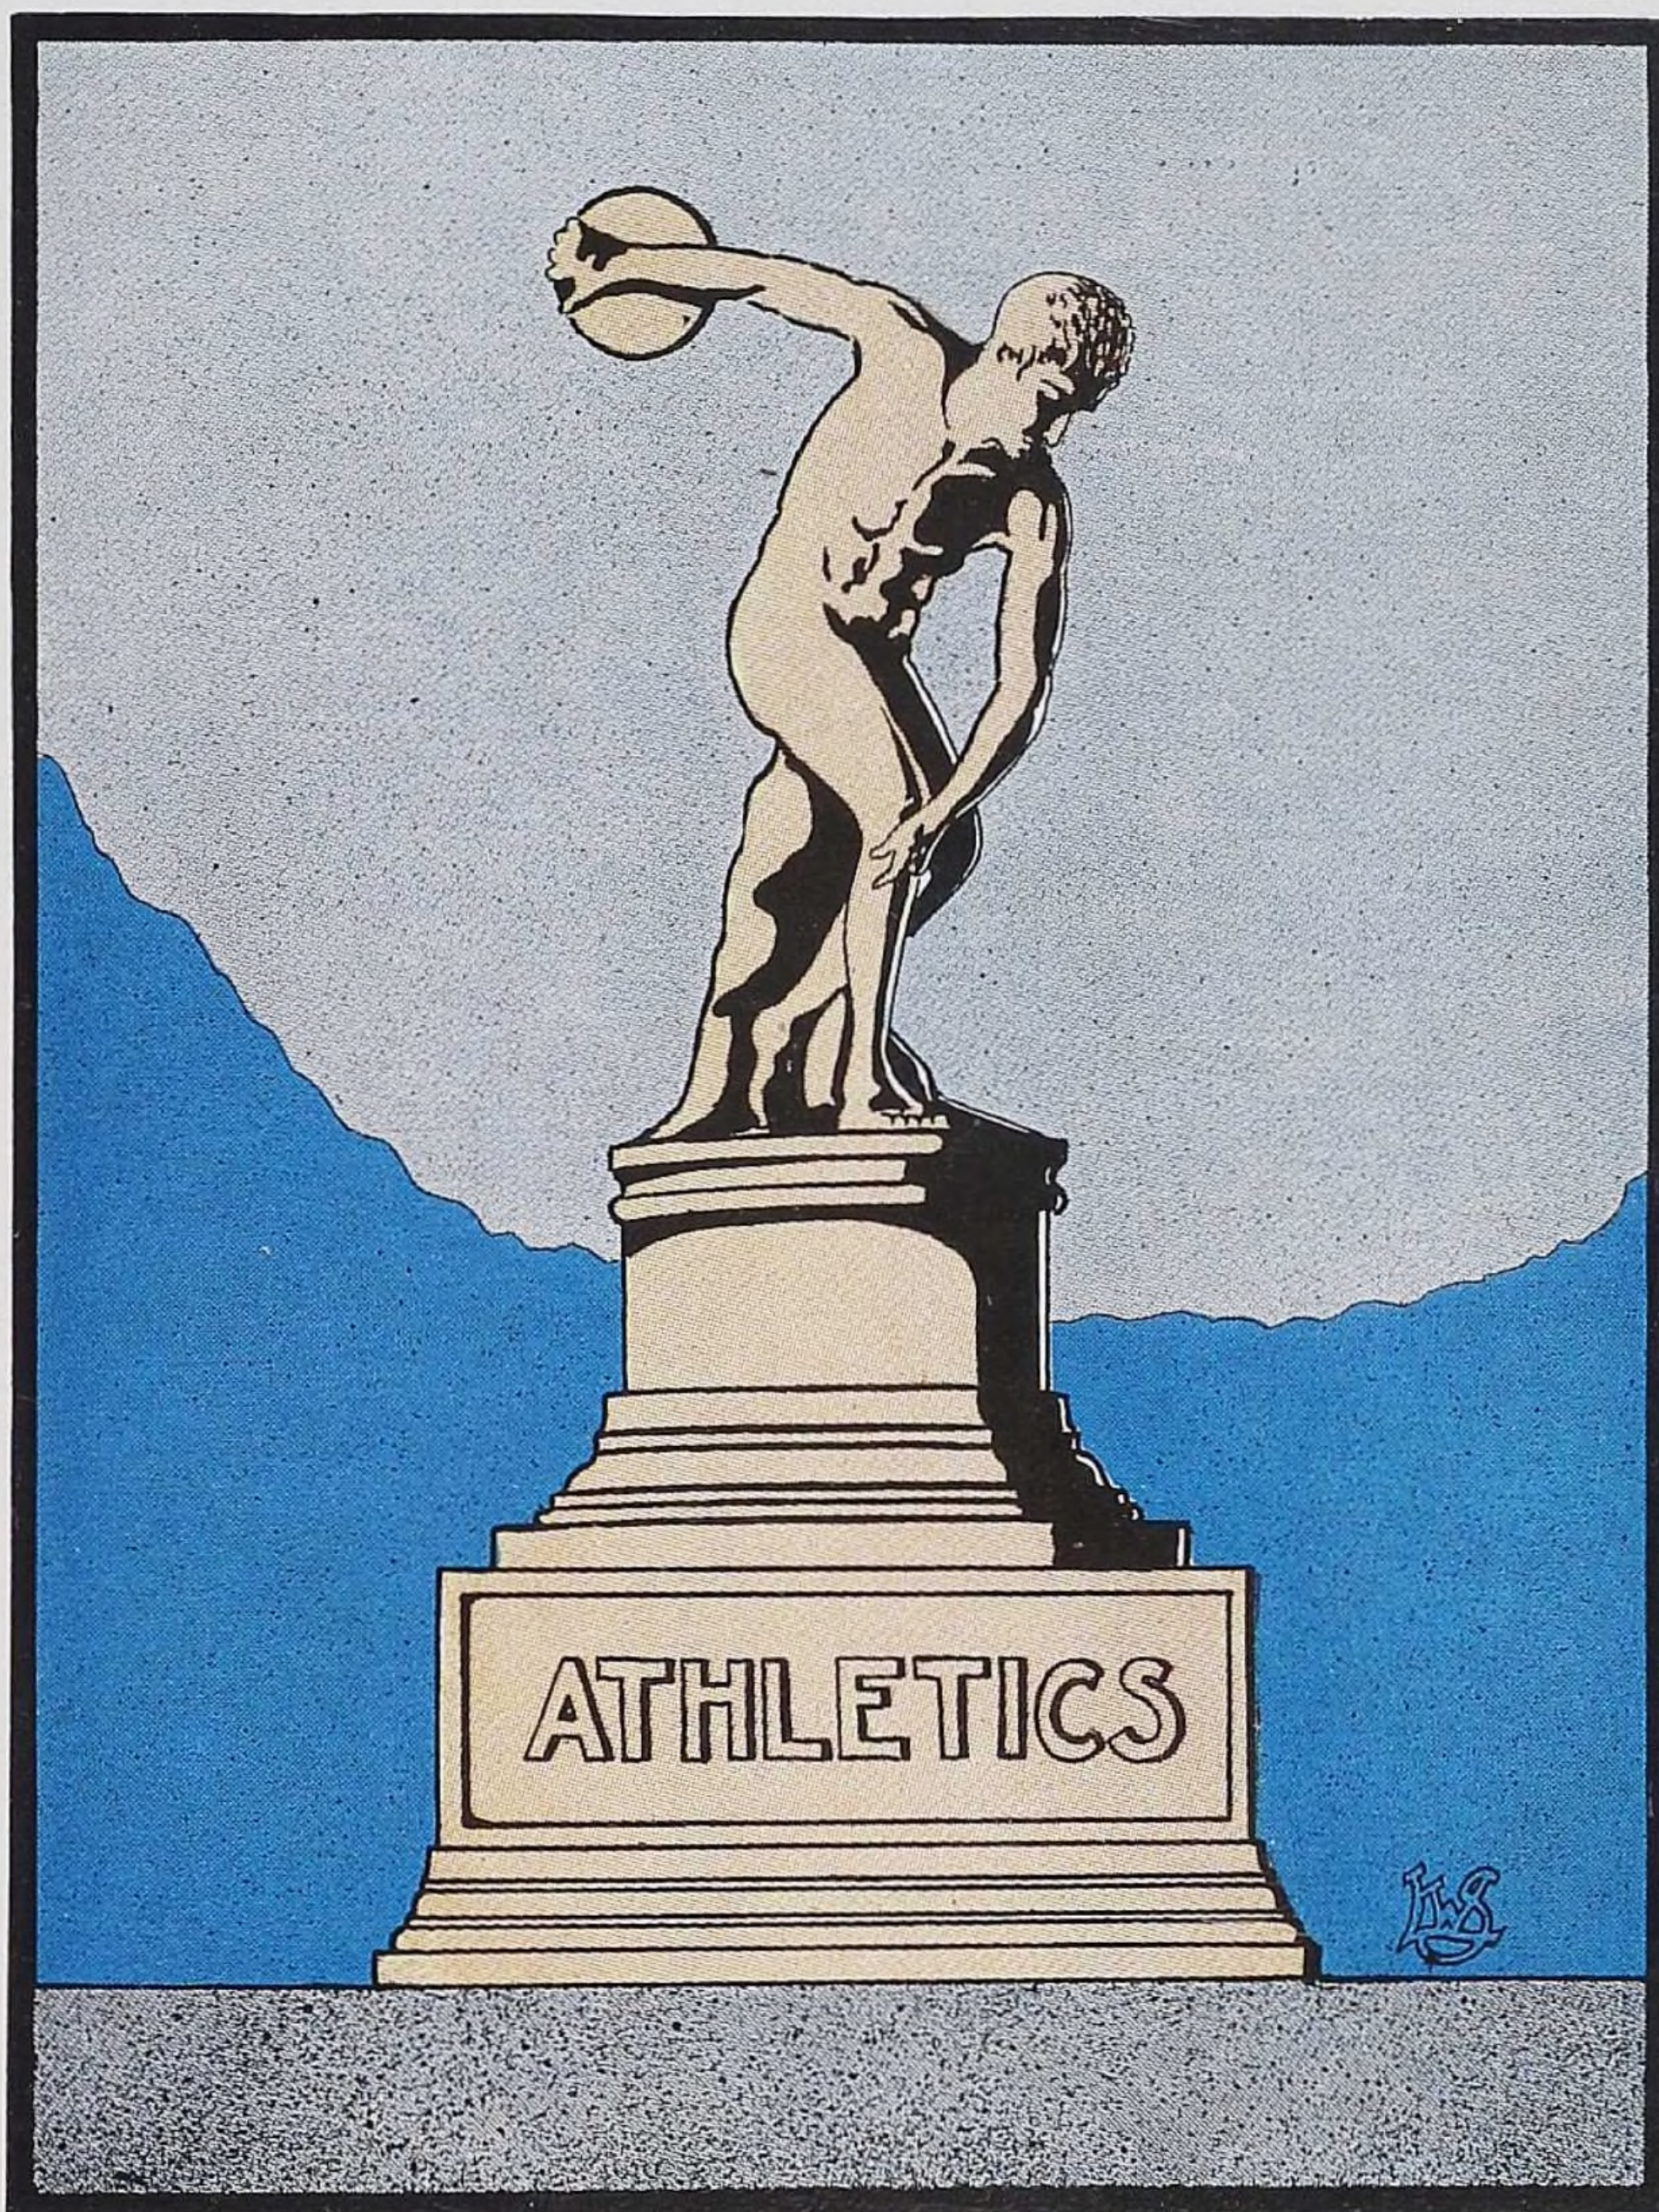

## "The Gypsy Rover"

A charming operetta with lots of pretty girls and many handsome boys in gypsy costumes. The songs are quite "catchy" and each character well chosen.

The cast:

Meg, Rob's foster mother	-	-	-	-	-	Alice Austin
Zara, the Belle of the Gypsy Camp	-	-	-	-	-	Evelyn Stevens
Marto, Meg's husband	-	-	-	-	-	Harry Funkhouser

## The Athletic Council

THE Athletic Council in Seneca High School dates back to the time when LeRoy Scott came here as coach in 1922. Some form of organization was attempted but in that year it went no farther than the election of a president by the student body. Melvin Allison was the president that year but no work was attempted or accomplished.

In the fall of '23 the Council was again organized. At the beginning of the year a constitution was made covering the requirements necessary to gain a letter in the high school and laws governing the action of the Council in athletic events. Marion Wiley was chosen president by the entire student body. Lloyd Badesheim was elected by the Senior Class to be their representative, Harry Allison was the Junior member, Frank Townsend the Sophomore and Harold Millen served as the Freshman member. The Faculty members were appointed by the Superintendent. Mr. Scott, the Coach, Miss Thomas, the treasurer and Miss Greene were the ones chosen. Mr. Pringle was the ex-officio member. Paul Honeyman was chosen by the Council to act as business manager.

After the football season a banquet was given for the letter men by the Athletic Council.

This year Harry Allison was chosen president by the student body, Leonard Schmitt was the Senior representative, Gordon Tate the Junior, Harold Millen the Sophomore and John Edwin Buehler the Freshman representative. The three faculty members remained the same. Leonard Schmitt became the business manager of the Council.

Following the custom started the year before, the football banquet was again given in honor of the football letter men. The girls winning letters in the Hiking Club were also presented with the five-inch script "S" at the banquet.

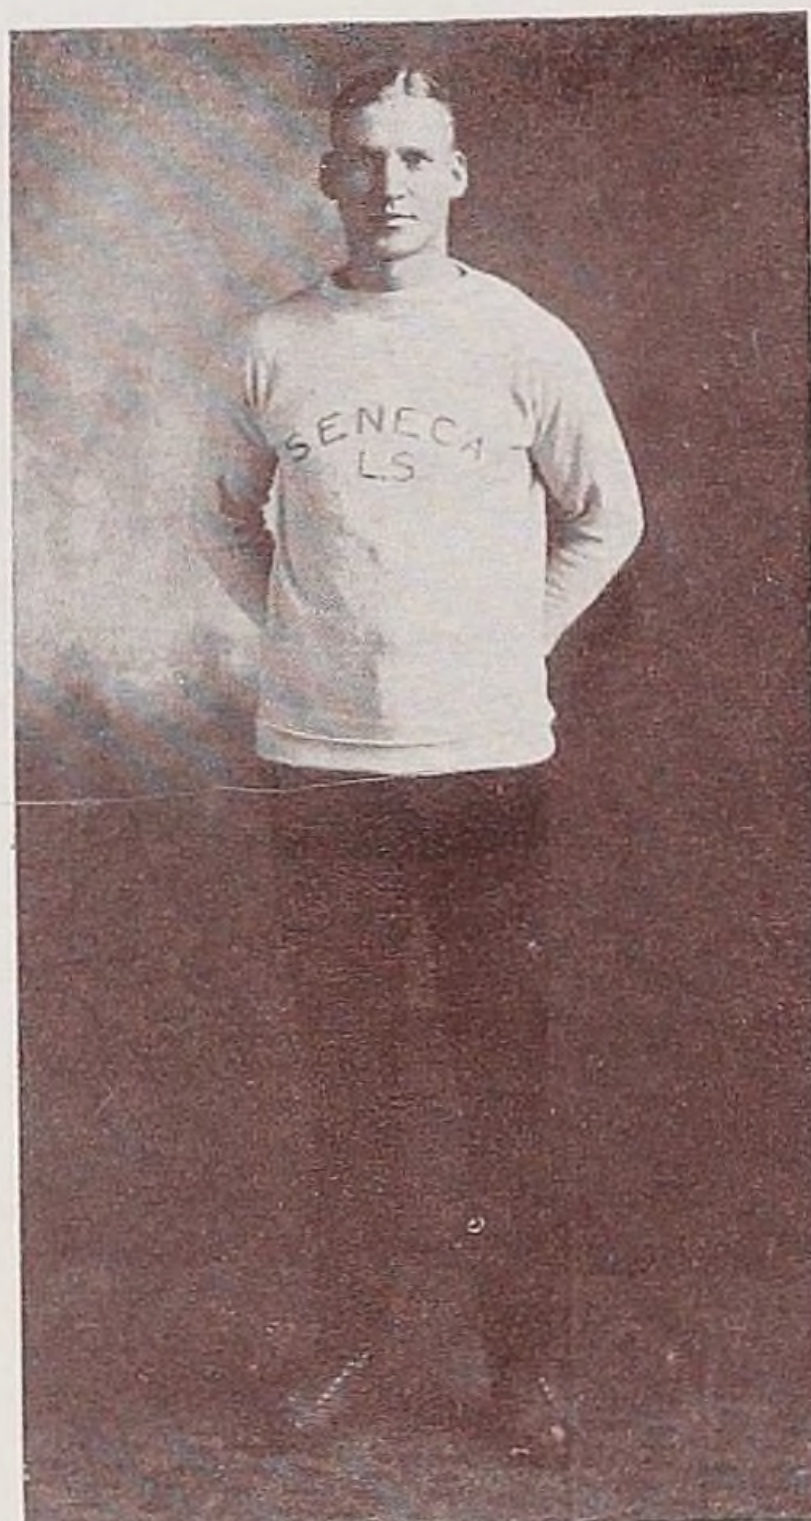

The Council this year also established a precedent they hope will be carried out in the future, of awarding the two cheer leaders and the business manager the five-inch block "S." This year Carroll F. Reichert and Ernestine Crandall, both Seniors, received the letter as cheer leaders, and Leonard Schmitt as the business manager.

With the work accomplished by the Council in the three years of its existence, it should continue to work and grow in the years to come.

## Athletic Coach

Floyd LeRoy Scott

COACH Scott came to us in the fall of 1922 from the Kansas State Teachers College at Pittsburg where he had graduated the year before. In this school he made an enviable record in all of the three major college sports, football, basketball and track. During his last year in football he was picked by prominent athletic men as the quarterback on the Kansas All-Star Football Team. He is the holder of the only gold medal given by his school for the winning of a total of 1000 points during his track season in school. This is an honor that no other man from that school can boast because Coach Scott is the only man that ever has received the award.

Scott's work in athletics in Seneca High School has been characterized by hard work, thoroughness and fair dealing. Seneca High and its boosters are proud of the school's record in athletics since Scott has been with us.

"I stand for athletics as it should be played—clean, hard, spirited and peppy, with cooperation and team work as the standard we are striving to maintain."

## "The Scrub"

EVERY day the scrub puts on his suit and chases to the field,  
He gets in everybody's way and often he is peeled  
He answers to his signal and bravely knocks the line,  
Nor does he murmur as the tackles crawl his spine.  
When he makes a bonehead play the loafers always laugh,  
But without him the team would be incomplete half.  
When the big games are played there is no praise for him,  
His part is not a showy one, his fame is very dim.  
The first team takes the trips while he goes to school,  
And gets in trouble if he breaks a single rule.  
He stays at home and listens for the news,  
Bitterly he wants in, but cannot fill their "shoes."  
He doesn't give them much; it's not an awful lot—  
But this he does—he gives them—ALL HE'S GOT.

## "The CUB"

**HARRY ALLISON**  
F. B.

Harry leaves us this year, having played four years for S. H. S. His fine defensive playing and hard hitting ability made him stand out as a real High School star.

**FLOYD GARTIN**  
R. G.

This was Cod Walloper's first year with the squad. His ever ready wit and pleasing disposition made him a valuable asset to the team.

**WILLIAM GRAHAM**  
Q. B.

Bill was shifted from an end position to quarter back the latter part of the season, and, in this new position, he always played a cool, steady game. In this position his ground gaining runs and selection of plays was very good. We expect great things from him in this position, the hardest of all to play next year.

**ARLIE HIGGINS**  
C.

After four years of real hard work and never failing spirit Higgie finally made his letter.

**PAUL KERR**  
R. E.

Pete's ability to hurry punters and break up end runs stamped him as a real coming end.

## "The CUB"

**IRVIN MARS**  
R. T.

Mars, with all his outside coaching and speed, showed up in some good plays.

**HAROLD MILLEN**  
L. E.

"Hattie," this year's captain, was the best punter in this part of the country. He played a consistent game and could always be depended upon.

**JOHN SAUSSER**  
L. T.

Smiling John never gave up or lost his disposition in a game. Many of the opponent's plays were broken up by John's charging through.

**RALPH SOURK**  
L. G.

Sourk's defense was good in stopping plays through his side of the line. By his hard work he soon became a regular.

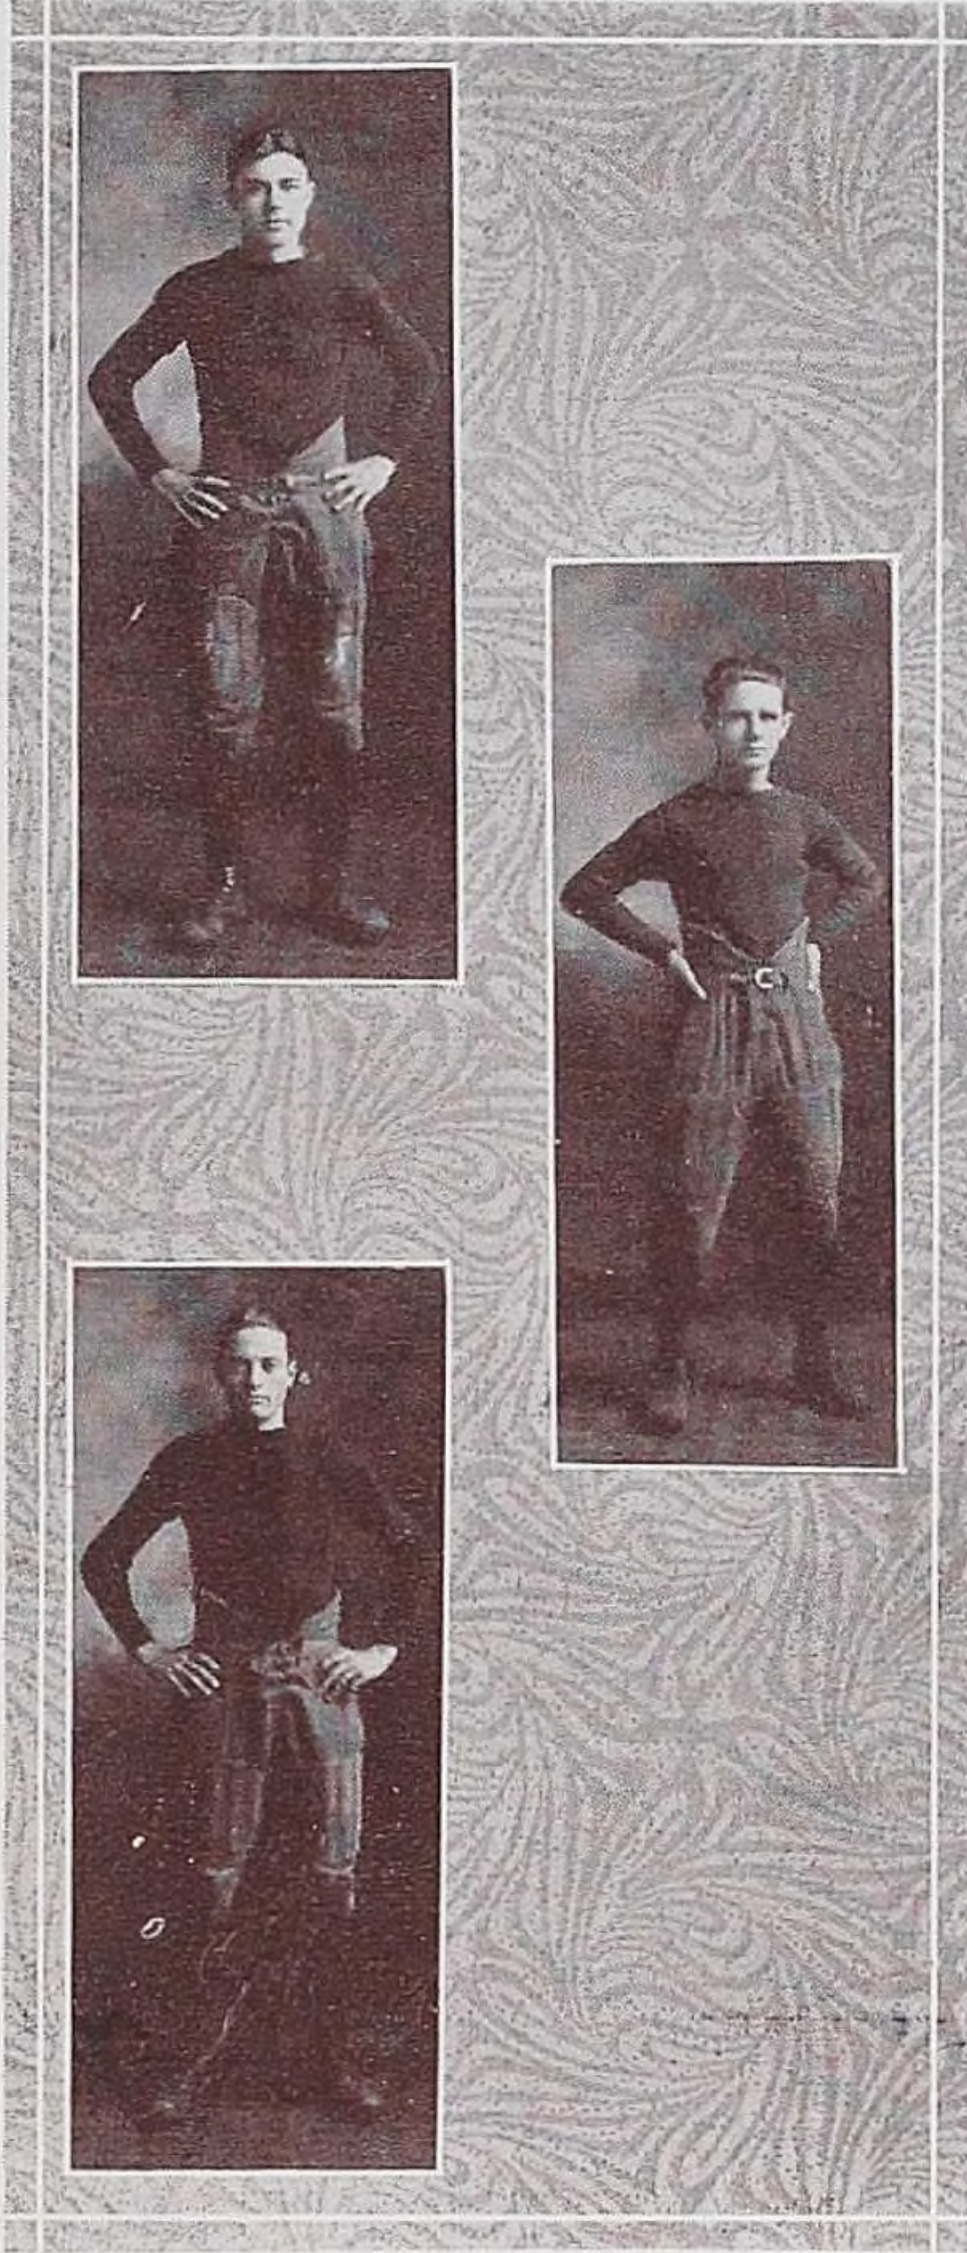

**GLEN STINE**  
R. G.

P L's determination and hard work together with his eighty-seven pounds of muscle and brawn won him a regular berth on the first squad.

## "The CUB"

### GORDON TATE

R. T.

Sammy was constantly being shifted from the back-field to the line and let it be said that no matter which position he was playing he always played a good game.

### MARION WILEY

L. H.

"Speck" has played his last year for S. H. S. and no one that saw his last game can ever forget it. In this game he ran around the ends, through the line and caught passes as though he were possessed with super human power. We shall miss him greatly in all athletics.

### WILLARD WINSOR

R. H.

We will miss Murphy's long sweeping end runs next year. His speed made him a valuable back.

# BASKET

## Boys' Basket Ball

AS the football season was drawing to a close, enthusiasm began to rise toward the second of the main sports. Prospects appeared to be very good, somewhat of a contrast to those of the closing season. There were two men, veterans of the preceding basketball season, who again were to represent their school on the court. They were Graham, a forward, and Tate, a guard. At the end of the preceding year William Graham was unanimously elected by the "S" men of that year to lead the team of last year as its captain. All was set for a very successful season.

Coach LeRoy Scott was some surprised and no little pleased when at the first practice hour about two dozen aspiring youths presented themselves. Everyone who had any ability at all as a basketeer and anyone who had any skill in slipping the ring around the ball was there. They ranged from Andy McBride and Bill Rufus Emery to Arlie Higgins and Willard Winsor. Practice began with the task of first mastering the fundamentals, which is the requisite in learning any science. Coach Scott was well aware of this fact for he drilled his men long and hard in the ways of dribbling, passing, pivoting and shooting for the basket.

After a short while a game was matched with Axtell and alas! we lost. But we had just begun and our faith in the team was never lost for a moment. About two weeks after this disappointment the team went to Frankfort, and returned with the scalps of those haughty Frankforters and with light and happy hearts. This victory was the beginning of a line of success which will be looked back to in the years to come as a record that will stand in the highest ranks of basketball accomplishment. The quintet wearing the Orange and Black hold a record of no defeats on their home court for a period of two successive seasons. The Tigers also hold a loving cup for second place in the Class A tournament at Atchison in 1924, winning over Leavenworth and losing to Atchison high school. During the course of the victories of this last year the team doubled the score on the county champions and now claim to be the best quintet in Northeastern Kansas.

### Basket Ball Team

Scott Winsor Graham Sourk Tate Millen Jerome Wiley Kerr

Willard "Murphy" Winsor was discovered in his last year in high school to be a very valuable man in any sport. He is to be remembered for the way he covered the back court and that he was a good center.

William "Bill" Graham, the captain, was an excellent floor man and is responsible for more than one of the victories of the year. His dribbling was ever a source of favorable comment. King of long shots.

Ralph "Soup" Sourk developed into a consistent and aggressive guard who could also ring the ball from center. He covered his territory well.

Gordon "Sam" Tate had had a year of experience before this season and showed as much in his coolheadedness and in the way he worked with the team. He is to be commended as a very valuable defensive man.

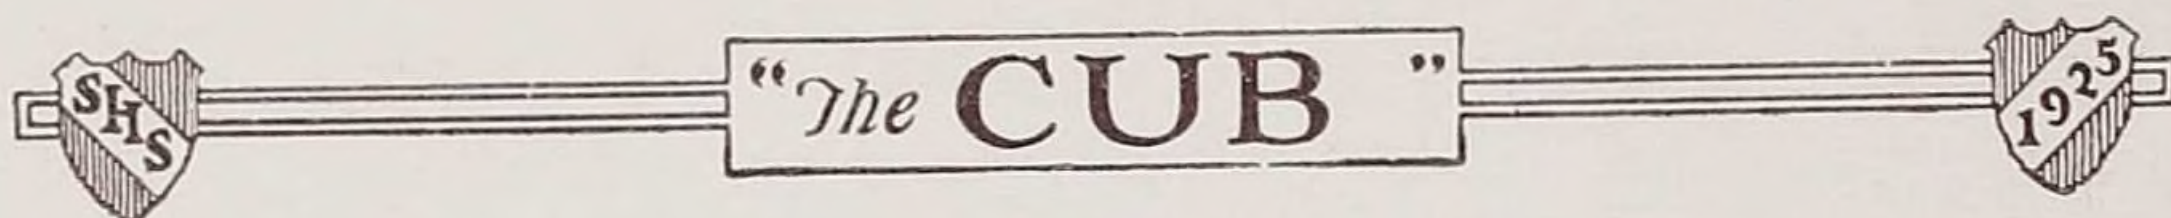

Harold "Hattie" Millen was a very consistent and dependable man. He could always be counted upon for a basket when it was needed. Late in the season he was hampered by frequent illness. He was missed considerably.

Clifford "Jerry" Jerome, the captain-elect for next year is the only Freshman on record that has ever been awarded a letter.

Marion "Speck" Wiley was one of the hardest workers that we had this year. Unfortunately there were too many good men and all could not make the team.

Paul "Pete" Kerr is considered one of the fastest floor men for his size that we have ever had. This was his Sophomore year. He still has two more years to represent old S. H. S. and we are expecting great work from him.

## Basket Ball Tournaments

THE Nemaha County Boys' and Girls' basketball tournament was held at Sabetha again this year on Friday and Saturday, March 6-7. For everybody but the Seneca teams the tournament was a great success.

Our girls had an unparalleled record this year, one really to be justly proud of, and they were chosen by nearly everyone to win the girls' tournament.

However in the tournament drawing, Lady Luck was not with us, for we drew Sabetha for our first game. We would rather have played anyone else but Sabetha on their own floor and before their own crowd. However, we felt we had a good chance as we had defeated them earlier in the season.

Our game was to be at three on Friday p. m. and Joe Coyne was to have refereed it, but just before the game started the Sabetha coaches greatly objected to him and demanded that Longberg, the other tournament official, work the game. After about half an hour of crabbing, it was finally agreed that Longberg should work the game. This seemed to be a bad move as we believe it cost us the tournament. Not that the referee was unfair, but that he called fouls that had not usually been called, and which were unavoidable with the style of play for which our girls are coached. Sabetha does not play this style, so therefore they were not hurt much. After the first five minutes of the game it was plainly evident as to who would win. All our girls had either one or two personals against them and were afraid to get into the game because when they did it meant a foul. At the beginning of the last quarter three of our girls were taken out with three personals, after which it was nearly useless and Sabetha won 27-19.

The boys drew even worse than the girls, it seems, for they drew Bern, the outstanding team in our section this year.

Although defeated, our team played a fine game. The first quarter ended with the score 8-1 in favor of Bern. The half ended 14-5 in Bern's favor. At the beginning of the second half Graham, our captain, was taken out on fouls and then we thought we would be smothered by a big score. But instead the boys fought all the harder and in spite of this big handicap brought the score up to 12-14 in favor of Bern. This pace, however, was too fast to maintain and the game ended with Bern at the long end of the score.

On Wednesday, March 11, our boys went to the Invitation Tournament at Axtell. We drew Axtell for our first game, and it was a real game, too. The game was featured by close guarding on both sides. At the end of the regular playing time the teams were tied at 7-7. At the end of the first extra five minutes the game was still tied 7-7. During the next five minutes both teams scored a field goal and this period ended 9-9. In the third, Axtell got a long goal from the center of the court and this meant the game for them 11-9. Inability of the Seneca boys to hit the goal cost them the game for they had many chances.

In the district tournament held at Sabetha on March 13-14 our boys drew Sabetha for their first game. They refused to play us all season and this was the chance we wanted. The game was very rough throughout but it was always our game from start to finish, and it ended 14-10 in our favor.

This victory gave us the privilege of playing Marysville Saturday a. m. at 10:30. Our boys played a wonderful game. They were hitting baskets and their team-work was splendid. With five minutes to go, we were ahead 21-15 and then a Marysville forward got "hot" and shot four straight baskets from past center and won the game 23-21.

On the "All-District Team" picked by the coaches and officials we placed two men, Graham at center and Winsor at guard. Graham received more votes than any one other player and was chosen as the most valuable man to his team in the tournament.

## Track

TRACK is a sport that is talked about all over the country almost every day in some phase or another. It, like tennis, is popular but as yet it is still classed as a minor sport.

In the many years past we have had many fast men on the track and also many who have shown their superior strength and brawn in field events. Why did they have such good track records then? Because in those days there were boys who were strong and speedy. They came here to school and our coaches made track men out of them. Unfortunately we do not have that sort of men in school any more so we do not have the high records now that we have had in years heretofore.

As for the track team of last year, we are proud of them, very proud of them. Although the "jinx" was headed our way and we did not win many honors we have the satisfaction of knowing how hard these men worked to win honors for old S. H. S. Our track team of last year consisted of five men: Stanley Schmucker, Otis Millen, William Graham, Marion Wiley and Arlie Higgins. These men did all that they possibly could but were just unlucky. Of these five men, there are three of them still with us: Marion Wiley, Arlie Higgins and William Graham and we look for some snap and speed from them this year.

## Tennis Team of '24

## Tennis

IN the years heretofore Tennis has not been recognized as a major sport by either high schools or colleges, but as the years roll on it is gaining more favor. In previous years, tennis was played for the exercise that was derived from it. But every season opens bigger and better than the one before and every year people are getting more enthusiastic about it.

Tennis has not been recognized by the schools of Nemaha County as a major sport, so therefore there has not been very much said about tennis.

Last year Coach Scott promoted a Tennis Club in S. H. S. In the spring he tried to arrange for a County Tennis tournament but the only school that came to the tournament was Centralia. Coach Scott picked Clifford Jerome and William Graham to play the doubles and Carroll Reichert to play the singles. Jerome and Graham won by the set scores of 6-4, 6-4. Reichert won by set scores of 6-2, 6-1.

At present Mr. Scott is working to have a big County Tournament this spring and bring tennis up to a much higher standard in athletics.

## Cheer Leaders

Stine

Crandall

Reichert

SENECA High School displayed the best pep and cheer during the school year of 1924-25 that has been shown for a number of years. Many compliments were received from the alumni and townspeople on the organization and pep of the school in giving cheers at the games.

During the football season bleachers were put up on Seneca's sideline for the rooters of S. H. S. The purpose of these seats was to keep the rooters together, where they could follow the game and cheer for their team in unison. This plan obtained the best results and the cheers were given to a much better advantage than when the rooters were scattered along the sidelines.

The worthy cheer leaders are to a very large extent responsible for this pep and deserve recognition and the largest share of the credit. During football season Carroll Reichert and Ernestine Crandall were the leaders. At the beginning of basketball season Glen Stine became a cheer leader to assist the others.

Carroll Reichert has for four years led S. H. S. in their cheers. As a Freshman he was elected assistant cheer leader. The second year Carroll and Elizabeth Mueller were the cheer leaders. The third year Carroll retained his office alone. The fourth year, this year, he was re-elected to the office with no competition. During the last three years Carroll has had charge of the pep meetings and led all of them. He never failed S. H. S. when she needed pep.

Ernestine Crandall was elected cheer leader with Carroll at the beginning of the school term this year. She was very faithful and proved to be an enthusiastic hard working cheer leader.

Glen Stine played on the football team this fall so he was unable to give his service as cheer leader then but as soon as basketball season started he was always on hand.

S. H. S. is proud of its cheer leaders and is very grateful to them for the work that helped S. H. S. win victories.—W. S. T.

## Girls' Basket Ball

THE Seneca girls' basketball team enjoyed one of the most successful seasons that it has ever had since girls' basketball started in this high school, maybe not if you count the games won and lost and use percentages as a basis but if such things as hard work, honest and untiring effort, splendid spirit in every game and the comparatively green material with which we started the season it was a very successful season and one every member of Seneca High School is proud of.

From the team that played last year we had five of the first team back with us and one of last year's first string subs. These were Ella Anderson, Alice Austin, Ines Clowe, Evelyn Stevens, Peggy Tyner and Frieda Williams. Reva Neiberger came to us this year from Fremont, Nebraska.

Out of the games that our girls played, and not a game was an easy one, we won six and lost five. We had a record of defeating every team we played at least once, among them was Frankfort who claimed the best team in this territory and this game was the only one they lost all season. We also defeated Corning, the county champions. Our girls were undefeated on their own floor this year and we won most of our games by a wonderful fighting spirit the last five minutes of nearly every game. This finish shows the good physical condition of each one of the girls.

## Basket Ball Team

Anderson Austin Williams Tyner Neiberger Stevens Clowe Kerr Cottrell

**T**HIS was Ella's third year on the team and her hard play gave her a reputation as one of the best, if not the best, jumping centers in our playing territory.

It was Alice's second year with us and she was handicapped by being shifted from her regular position of guard to a forward position. Through nervousness she missed lots of goals but she usually got the goal in the last minute that meant the game for us.

This was Peggy's first year as a regular and her hard playing and fighting spirit made her a fine running center and made our center combination hard to beat.

Reva played her first time with us this year and she, too, was handicapped at first by being shifted from forward to guard. Although not always playing at guard she played several wonderful games at guard for us.

This was Frieda's second year and she could always be depended upon to play her consistent game at guard. Her work together with that of Reva's kept our opponent's score low.

Evelyn, our boylike forward, played her second year for us. Every place we played her style of play attracted much attention and complimentary comment. Her long goals were a feature of every game she played.

Our three subs, Ines, Beryl and Rachel, did much to make the team what it was, and their fine spirit and willingness to play in any position and at any time speaks well for their school spirit.

We lose Alice, Peggy, Frieda and Reva this year through graduation.

## Girls' Hiking Club

Thomas Werner Oatman Oatman Neiberger Hull Wiesedeppe Butler Greene  
 Crandall Thompson Lohman Schueneman Herbstreith Smalley Paxston Butler Marsh  
 Rosengarten Middaugh Smalley McGhee Clowe Sausser Cottrell Kerr

THE first Hiking Club was organized in Seneca High School in the fall of 1924. The Athletic Council voted to grant a letter to each girl that would walk one hundred miles in ten weeks with the club.

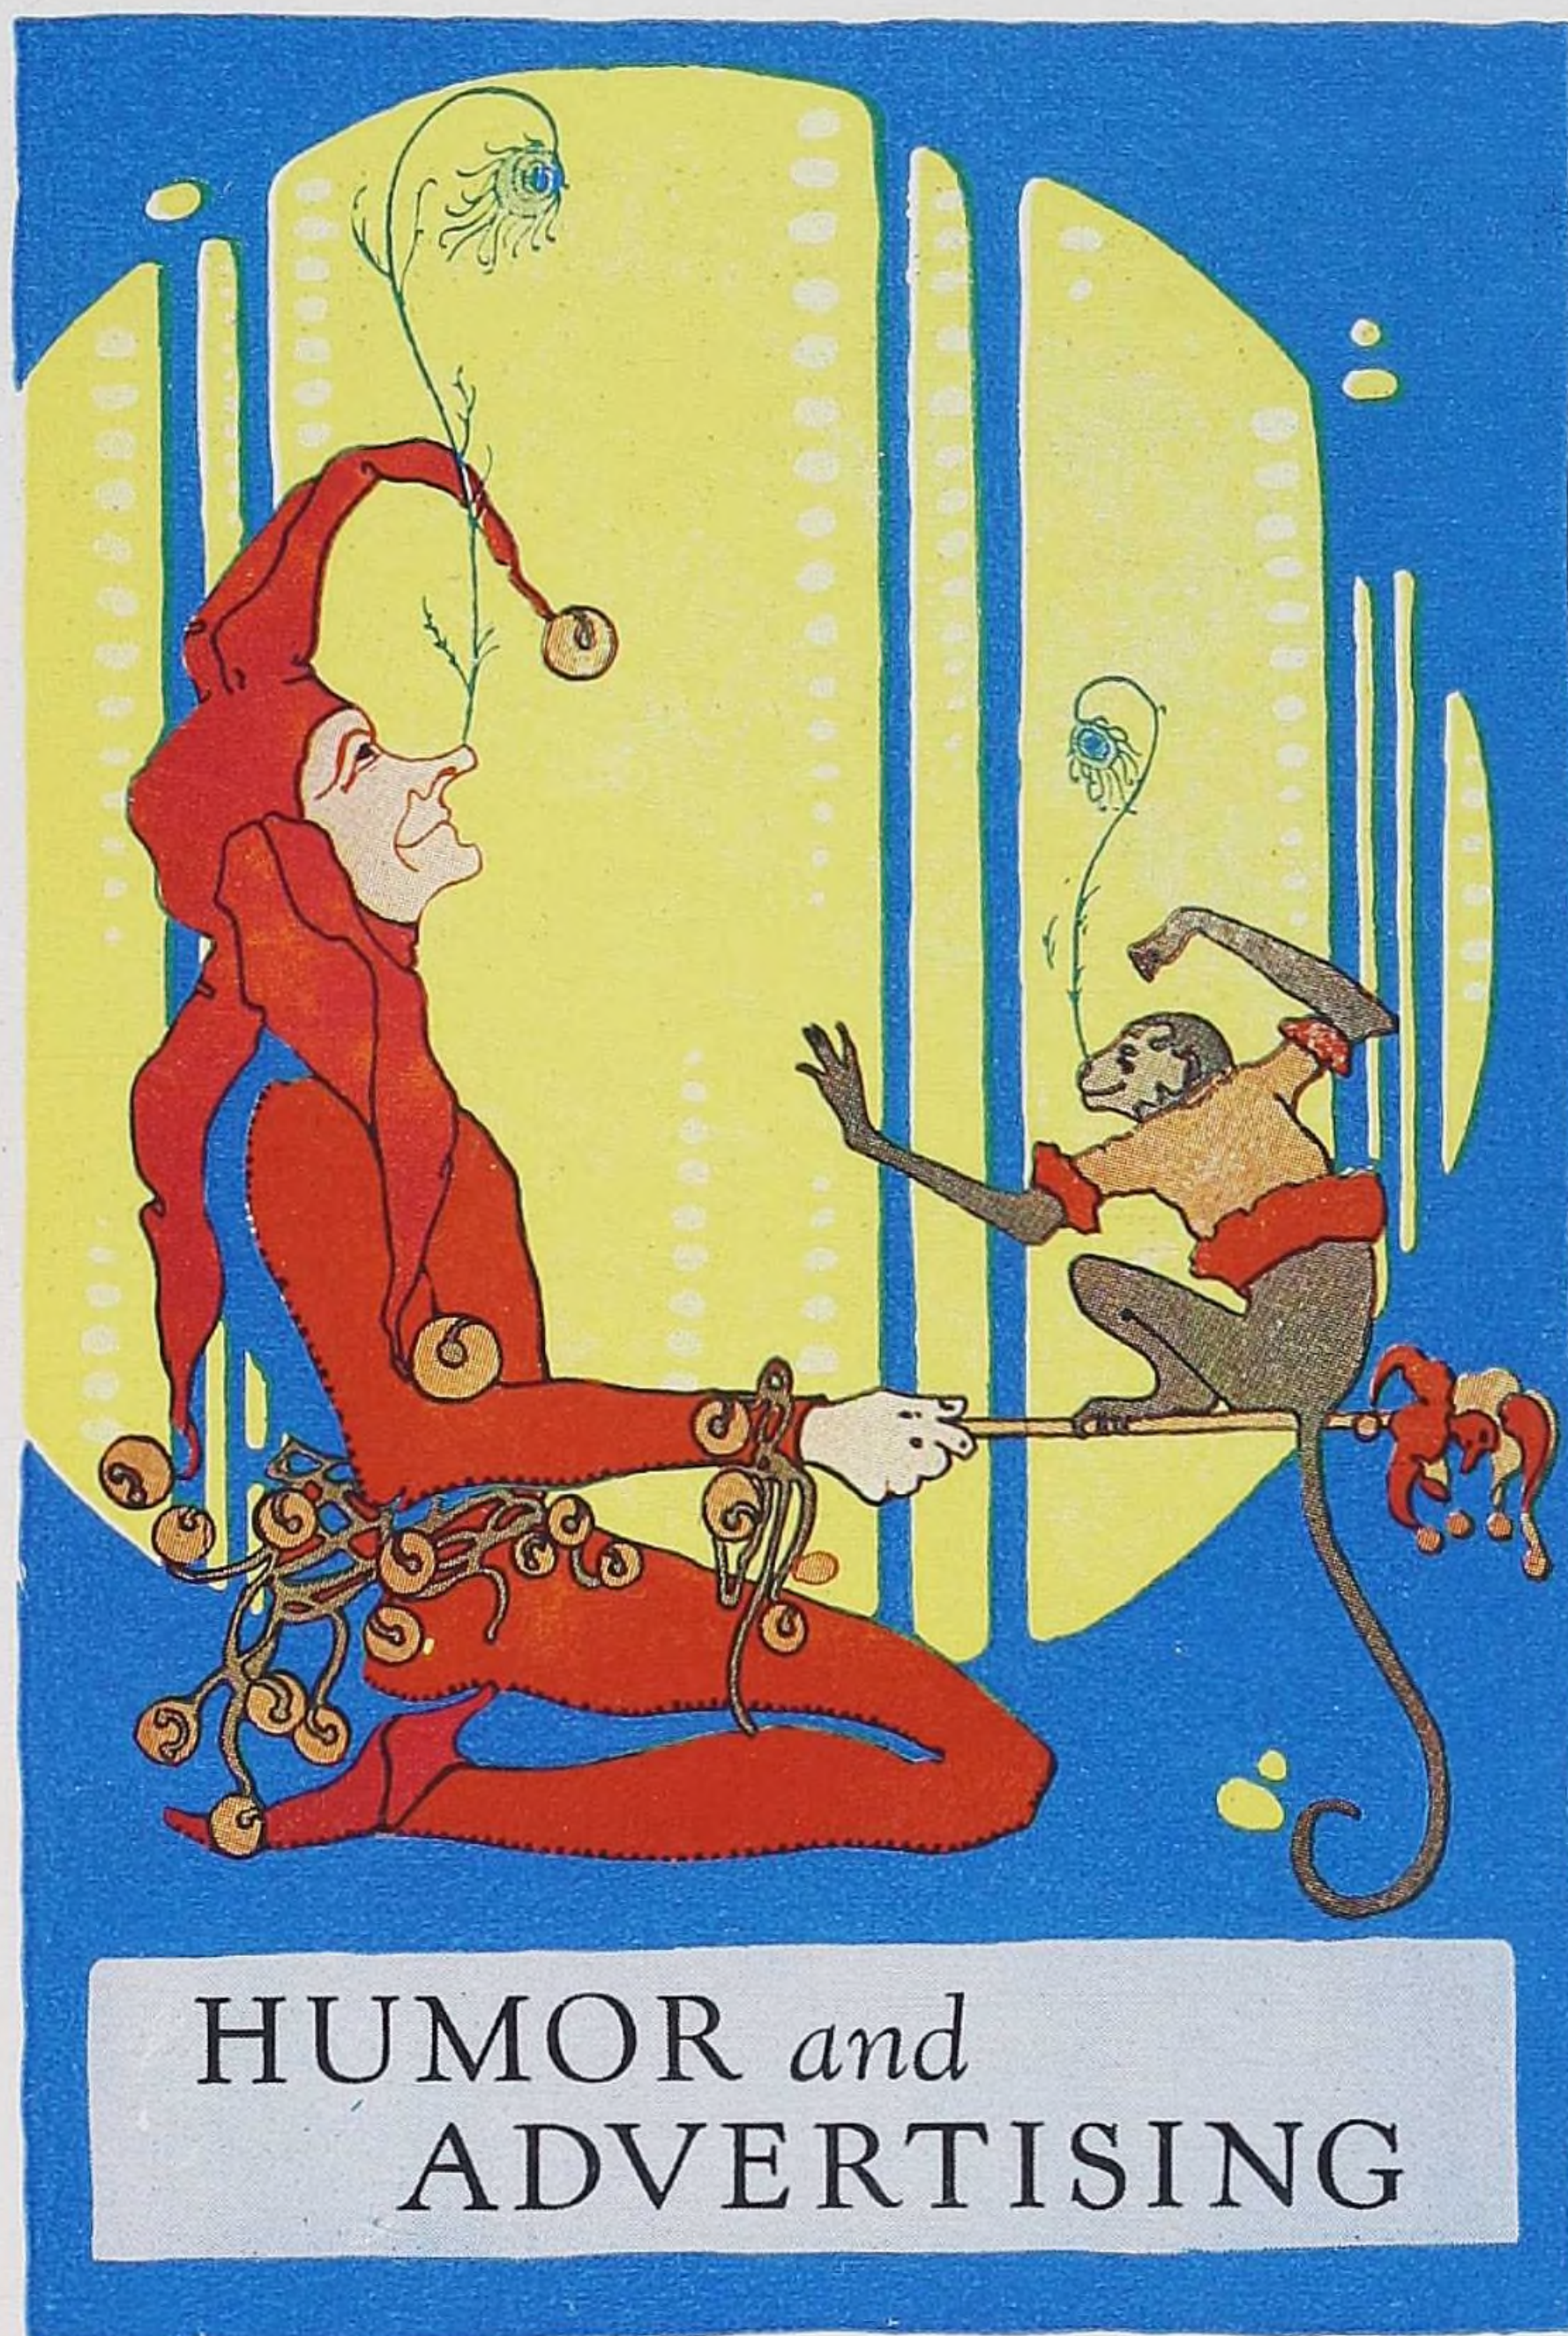

The organization started with a great amount of enthusiasm as the girls were anxious to win their letters and also to learn to be better walkers. The purpose of the club was to promote correct carriage and proper walking, and to develop endurance. The first hikes were short and then they were increased gradually until at the end of the ten weeks the girls often found themselves several miles from town at dusk.

Armistice Day the girls hiked to Oneida where a big campfire with buns, weinies and pickles proved very welcome. To add variety a six and one-half mile moonlight hike was made one Saturday night which proved very delightful as well as mysterious.

The Hiking Club this year was sponsored by Miss Anna Thomas and Miss Clarice Greene.

### JANUARY (Continued)

- 7 First semester finals started today.
- 9 Our girls lost 16-19 at Frankfort but the boys made up for it by a score of 28-10.
- 10 No school today. It was Saturday.
- 11 Grade cards—groans and sighs
- 12 Glen Stine has gained 3-4 of a pound since school started.
- 15 Nothing special today.
- 16 Got beat at Bern. Too painful to tell about.
- 17 Girls won from Sabetha but the boys went down before Marysville 20-9.
- 20 Harry Funkhouser got caught skippin' 5th period ????
- 23 Went to Hiawatha and got defeated.
- 24 Again the girls won from Wetmore 17-5. Boys lost 17-15. The boys' game was forfeited later.
- 26 Peggy Tyner appeared with a cute little patch on her chin (these Manhattan boys sure don't aim straight.)
- 28 Radio hose made their first appearance in school this a. m.
- 30 Wish the boys would win—we are running out of vocabulary. Marysville 24—Seneca 14.
- 31 Ray!! We won!! Girls 13 to 12 and the boys 21 to 17 from Corning.

### FEBRUARY

- 5 Sophomores had their first evening party. My, how the little ones do grow up!
- 6 Won again!! Hiawatha 16—Seneca 19.
- 7 Still Lady Luck is with us. Wetmore went down to defeat again. Girls 20 to 18 and the boys 23 to 14.
- 10 This was a dead old day. Snowed like thunder

- 13 Did 'ja get a Valentine? Had to have 'em today 'cause tomorrow's Saturday. Bern 20—Seneca 10. Girls' game Bern 15—Seneca 18.
- 14 To Corning through the fog. Girls lost 9 to 5. Boys played better and came out one point ahead 13 to 12.

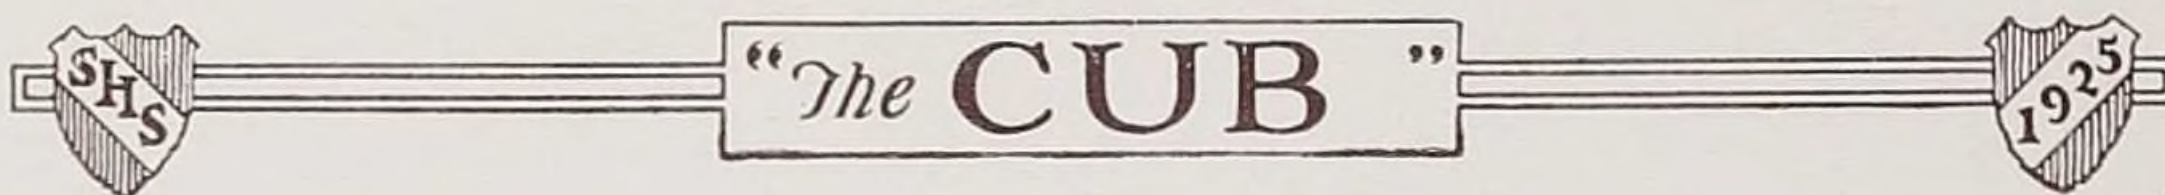

#### FEBRUARY (Continued)

- 20 Tromped on Frankfort in the last regular game of the season. Girls won 21 to 16—Boys won 11 to 10.
- 28 Last day of the shortest month. Three longer ones till graduation. We showed Harvey Roots and his Wamego team how to play basketball. We won 16 to 12.

#### MARCH

- 2 Came to school to find all the sliding doors fastened down with great big padlocks.
- 5 Big pep meeting for teams who go to Sabetha to county tournament.
- 6-7 Tournament. Alas! Our car skidded and lost out in the race. Girls lost to Sabetha. Boys lost to Bern. Hard luck gang!!!
- 10 Jodie was invited to leave school today for using 'foreign' language in Civics class.
- 13 Yep! It's Friday the 13th. Merlin Myers forgot that Prof. E. E. Pringle knew more than he did and he accompanied Jodie outside.
- 16 Jodie back again—Oh my! The little boy is working.
- 17 St. Pat was a visitor today—also a few odd costumes that hardly ventured past the front door.
- 18 Basketball teams were awarded letters in chapel. Harry Allison appeared with another new sweater today, that's four this year—these farmer boys sure spend the dough. Merlin back again.
- 26 Alice Austin appeared in black hose today! That's the first time this year—but all her others were dirty.
- 31 E. E. P. got awful nice and gave us an hour off this afternoon for the first annual all-high school picnic at The High Drive. Boy!! The Eats!!!

#### APRIL

- 1 Didja get April fooled today? Scott did!!! Ha Ha.
- 2 My how dead school seemed today! Guess it was because Jodie was sick and out of school.
- 10 Nemaha county athletic and literary contests at Sabetha.
- 17 "A Full House" presented by the senior class at the Auditorium.
- 24 Scholarship contests.

#### MAY

- 1 Junior-senior banquet
- 17 Commencement sermon.
- 21 Commencement.

## What Do You Think Of This Idea?

**M**OST of our school trade want a really fine suit. None of the young men wants to pay any more than is represented by solid value. We figured that the thing to do was to concentrate. Get together a wonderful assortment of suits absolutely right in every particular, bought close, marked close, not too high priced. That's what we have done for spring. Forty dollars is the price. You get an awful lot for that, in these Society Brand college clothes.

## "The CUB"

If you think our jokes are old  
And should be upon the shelf,  
Just get a piece of paper out  
And write a few yourself.

---

Miss Johnson (in Latin): Dorus, give the principal parts of the verb "skato."

Dorus Piper: Skato-skatere-slipsi-bumtum.

---

Harry: As I was coming to school this morning I saw the prettiest little cowslip on the creek bank.

Evelyn: That's too bad; did the poor thing slip clear in?

---

Sam Tate: Would you care to go to the Junior play tonite?

Lenta: Oh, Yes!!!!

Sam: Well, will you buy a ticket from me?

---

Scott: Did you take a shower?

Pete Kerr: No, is there one missing?

---

Freshman: How do they ring the fire gong in the deaf and dumb school?

Sophomore: Ring the dumbbells I guess.

---

St. Peter: You say you were a writer on the Tiger staff?

Applicant (Alice Austin): Yes, St. Peter.

St. Peter: Step into the elevator, please.

Alice: How soon does it go up?

St. Peter: It doesn't go up; it goes down.

---

Muriel Smalley: Did your watch stop when you dropped it on the floor?

Floyd Gartin: Sure, you dumbbell, you didn't think it would go through?

---

Grace Schueneman: Oh, if the Lord had only made me a man!

Her Sheik: Perhaps he did and you haven't found him yet.

---

Mrs. Vorhes gave her son, Jodie, a toy shovel. She left the room and told Jody to take care of his baby brother. Presently, hearing screams from the baby, the mother rushed into the room where the children were, saying: "For goodness sake, Jodie, what have you done now?" "Well, Mother, there was a naughty fly biting the top of baby's head and I was trying to spank the fly with my new shovel," was the proud reply.

A faculty member approached the postoffice clerk at the stamp window. "I should like to look at your red two-cent stamps," she said. The clerk obligingly brought out a sheet of 100 or more stamps. Pointing to one of the stamps in the center of the sheet this discriminating customer sweetly said, "I'll take that one."

Prof. Pringle once noticed a crowd of small boys clustered around a dog of doubtful pedigree.

"What are you doing, my little men?" he asked with fatherly interest.

"Swappin' lies, volunteered one of the boys, "the feller that tells the biggest one gets the purp."

"Shocking!" exclaimed our noble Prof, "why, when I was your age I never even thought of telling an untruth."

"Youse win," chorused the boys, "the purp's yours, Mr. Pringle."

It is the instrumentality by and through which the business of the world is transacted.

Sooner or later you will be brought into active contact with it; it will have a part in every business venture you undertake; its services are called into being at your birth, continue with you every moment during life, and when you pass away your estate is distributed by it.

An early association, then, with a good strong bank is necessary and profitable.

## HAIL SENIORS

**T**HIS is one of your first experiences in buying printing. We hope we have pleased you. We gave this work a great deal of care just as we handle all classes of printing.

You have edited The Cub with marked ability; you have chosen good materials. As printers it is a pleasure to serve where good workmanship is not hampered by false economy. As you buy more printing in the years to come you will appreciate that you will be required to pay a fair price not only for good stock but also for painstaking proof-reading and rearrangement of copy. You will find that such printing is to be found in shops which pay decent wages to trained, intelligent employees. You will buy the knowledge of men and women skilled in their craft when you buy their handiwork.

The Courier-Tribune Press wishes you all luck and good fortune forever and a day.

Miss Johnson (in Eng. III)—Marion, will you put the following sentence in your own words: "A wink is as good as a nod to a blind horse."

Speck—A spasmodic movement of the optic is as adequate as a slight inclination of the cranium to an equine quadruped devoid of its visionary capacities.

Mr. Millen—Harold, what are you going to be when you graduate?

Hattie—An old Man.

Elsie Fisher (standing on the corner at Wempe's)—You're three-quarters of an hour late. What do you mean, keeping me standing around like a fool?

Hattie—I can't help the way you stand.

Essay by Clyde Schenck, Jr. in English I

I have a pigeon. It is blue. It has a pen. It don't have any tail. I sold it for a quarter.

Edward Ott walked into a bank and said to the cashier: "I want a check book for a lady that bends in the middle."

Mildred Carpenter (to Beauty Doctor)—I'm worried about my complexion, Doctor. Look at my face!

Doctor—My dear young lady you'll have to diet.

Mildred—Oh, I never thought of that—what color do you think would suit me best?

Scott (Agriculture)—What do they raise most in Mexico?

Clarence Ford—I refuse to swear in class.

Miss Young—Now what would you do if you had an eight-sided figure?  
Evelyn Myers—I'd commit suicide.

"I'm glad to see your bright and shining faces this morning," said  
a speaker in chapel last week.

At this remark thirty-eight powder puffs were whipped out.

Bugs Taylor (entering Music Store)—Give me a violin, trombone and  
lyre.

Young Clerk—I can give you the violin and trombone, but the boss is out.

Band Drummer—I'm the fastest man in the world.

Friend John—How's that?

B. D.—Time flies, doesn't it?

Friend John—So they say.

B. D.—Well, I beat time.

(Play a funeral march, professor)

Ernestine—Could you suggest some good games to play at a house party?

Speck—Sure, post-office, jui-jitsu and leap frog.

## "The CUB"

### Senior Poem

Once a Senior dreamed a dream  
And dreaming dreamed he died,  
Straightway to the pearly gates  
His sin-stained spirit hied.  
He stood before the good saint  
With downcast head and low,  
"My record's pretty bad," he said,  
"I guess I'm bound below."  
The good saint looked at him  
With kindly smiling eyes,  
But shook his head, "Don't ask," said he,  
"A mansion in the skies."  
The Senior took his hat and made as if to go,  
"But wait," cried good Saint Peter,  
"Have you anything to show?"  
"Aye, aye, my good superior,  
At the things I'll say you'll laugh,  
I've spent four years in high school  
And one on the Annual Staff."  
The good Saint Peter threw open  
The portals wide,  
"You've served your H—l on earth, good friend,  
Get thee inside."

## In Conclusion

PERHAPS it is for the last time in connection with this production that we dip our tired but faithful pen to reminisce a bit, and recall again the pleasant hours of toil and triumph which have attended us in this work during the past nine months. We like to remember the continual boosting and backing of our Superintendent, E. E. Pringle; the untiring efforts, splendid advice and cheerful attitude of our sponsor, Miss Clarice Greene; the neat and accurate typing so willingly done by the several members of the Commercial Department; the helpful hints and aid of the class and club sponsors; and last, but by no means least, we enjoy recalling the splendid spirit and cooperation which were evidenced by both faculty and students alike. All these factors have aided in making our load a little less burdensome, and consequently enables the 1925 "Cub" to be more representative in context and more democratic in production.

TO OUR ADVERTISERS—We wish to express our sincere appreciation for their aid and cooperation which has made the 1925 "Cub" possible.

Our final hope and aim is, that we have proved equal to our task, and have made this book measure up to your highest expectations. With the dearest memories of years of happiness in dear old S. H. S. 'neath the Orange and the Black, and the friends we have made, we wish to express our sincere wishes to all, for happiness and success in the future, we remain,

LOYAL TIGERS,
